Living costs

The minimum cost of living for a student is approximately CHF 1'900 per month. This includes food and personal care, housing, health insurance, books and school supplies.

Accommodation: Residence halls on/off-campus, rooms in private homes and shared apartments with other students. The cost is minimum CHF 600 to 800 per month.

More information: www.unil.ch (select: Admissions > FAQ & useful information > Practical > Living costs and study costs)

accommodation

UNIL has a new student residence on-campus, the Vortex. It is a vibrant area with many facilities.

Students who wish to live in an on/off-campus residence should contact the Fondation Maisons pour Étudiants (www.fmel.ch/en/), and indicate that they are exchange students.

Students may ask for information about other housing options at the Social Affairs and Student Mobility Service (SASME) of the UNIL (www.unil.ch/sasme).

We recommend that exchange students try finding a room as soon as possible as there is a shortage in accommodation in the Lausanne area.

health insurance

CHF 150 - CHF 300 per month.

Foreign students must have a health and accident insurance coverage that complies with Swiss regulations. If a foreign health and accident insurance does not offer the minimum coverage required by Swiss law, the exchange student will have to contract a Swiss health and accident insurance for international students. European students can benefit from the minimum coverage required by Swiss law if they have a European Health Insurance Card.
